DEDICATION

I specially dedicate this book to God Almighty, through Christ Jesus who gave me the wisdom and knowledge concerning this book via the power of the Holy Ghost. Without Christ, surely, I can do nothing.

SPECIAL NOTE:

This book is specially written to awaking the sleeping mind of the believers of Christ in the areas of financial prosperity. It can be used for ministerial and personal purpose. It is written to let the Christians knows that, it is God's ultimate will for them to be equally financially and materially buoyant if not, Christ wouldn't have been made poor so that you can become rich through his poverty. 2 Cor 8:9.

There are several kingdoms that are meant to be taken by Christians, and one of them is the financial realm (kingdom). In Rev 11:15, the Bible made a clear reference of multiple kingdoms and of which one of those kingdoms is the business world which is also the financial world.

And what is the essence of business without money or achieving its goals? Every Christian needs to understand their legal right as a child of God. We need to know what to be doing to get ourselves out from the realm of absolute poverty.

In the place of making money, as a child of God, it is not fasting and prayer you need, what you need to be doing are the things that I have written here in this book. Still, that does not imply that prayer or fasting should be neglected, in fact, prayer is necessary for living here on earth. Jesus said; "when you pray…." Matt 6:7. It means that, it is compulsory that you should pray. And in another place, he

said; ***"men ought always to pray and not to faint…"*** Luke 18:

ABOUT THE BOOK 54

INTRODUCTION

The only thing that has ever gotten me confused and imbalanced for once is the pursuit of money. I grew up in a polygamous home whereby, some children would have to be valued more than some. Some would have to be preferred to some just for a reason none can actually explain by his or her mental faculty. Sometimes, those attitudes may not necessary be as a result of natural cause, some could be demonic manipulated hence we live in a world that evil is always striving with good just to hinder others not to be able to fulfil their purpose in life. And some could also be geared by pure envy and ignorant just like the brothers of Joseph in the Bible, Gen 37.

Some men had always concluded in their mind that, without a specific man that another man can never succeed his purpose and that has been the greatest lie upon the surface of the earth, except God ordained it so but until it is certain, we just can't conclude otherwise. God is the only one who can ordain our destiny helper and also give them the grace to help us, still, don't let this throw you off balance from God. It is better we pursue God instead of men. This doesn't imply that God cannot use men to set another up for greatness. God has always been using and will still be using neither does this mean that men cannot delay another's destiny, in fact, it is more common among the children of men to work against their own fellow creature than to help them succeed in life.

We all know how powerful and resilience the power of money can be in the hand of the holder. Financial inadequacy can constrain one's choice of fulfilling his or her

desire but with an accurate knowledge of how to apply the principles of every little substance in your hand, all roads' blocks can be eliminated.

This was exactly the ocean of knowledge God threw me into that eventually spanned me into an unbelievable revelation of this the principles of financial prosperity. These principles that I am about to unveil to you here has been the all-time spiritual keys to financial freedom and material abundance. I got them by a supernatural revelation from the Holy Spirit. It all started simply because of my consistent struggling on how to make it in life especially in the areas of finances. I knew I was born with a great purpose but yet, without financial medium, the possibility of achieving my very heart desire wouldn't be ever manifested without the absolute ability to ascertaining its true principles. In Life, the easiest way for anybody to achieve something is to apply its principles; the right principle.

The greatest secret code of life is always in its principles. This is something most people around the world don't truly know not even the majority of people who calls themselves Christians. I am a priest of the Highest God; my duty is to bring people into an absolute knowledge of God's revelation concerning their lives and to also report their frustrations and complaints back to God. I have an office. That office is far different from the general level of Christianity though that doesn't remove me of being a Christian, of cause, I am a true born again Christian but in that same sphere of Christianity, I have been elected by God as well to become an elder in the field to serve God and the people as one of his chosen ones.

My two ways traffic is to receive from God and delivers it to the people and to also receive from the people and delivers it back to God. So, in this book, you should equally consider what I shall be sharing here as part of what I have received from God to share among his people for the betterment of their wellbeing. Before God whom I served, I have gotten to understand that he so much derives pleasure in our prosperity, Psalm 35:27. He wants us to live the best kind of life he ever desired for us. He wants us to receive all the necessary financial, spiritual and material and marital prosperity to ease our ways of serving him. He wants us to be full with his power, supply and also with the ability to circulate his prosperity. This is why; he himself was made poor so that in him we might become rich, 2 Cor 8:9.

The question is not whether if I struggled. Indeed, I did but another question is, was the entire struggle actually the will of God concerning my life? Not really. Part of the entire struggle I ever encountered was actually due to two major things, disobedient and ignorant. These I will explain them later in some of the chapters how they can affect your financial prosperity. Another question is how did I eventually break out from poverty into prosperity that I am enjoying today? This also you will learn them below quickly in the following chapters. Before I proceed, I simply want to encourage you that is reading it now, if you truly follow the revelations that I have unveiled in this book, soon or later you will realize that there is never any strong devil out there that is very powerful more than ignorant. Ignorant is the strongest devil in the entire universe.

In fact, the Bible calls devil the prince of Darkness, which is originally translated as ignorant. Darkness is ignorant. Darkness or ignorant is something outside of light. And the original Hebrew meaning of knowledge is called light. Now, you may wonder why Jesus called himself, the light of the world.

That has nothing to do with electricity or bulb but knowledge in its purest form. Praise God! Never fear demons as must as you should fear ignorant. In fact, if there is anything worth fearing apart from God Almighty, Jesus Christ, it should be ignorant never demons. Demons can easily be casted away by you or someone else but this force calls ignorant, it will always require you to silence it voice by your daily and consistent searching of knowledge and the bold applications of the right given principles either in this book or the ones in your very Bible or from other good authors. How?

Remember, it is written in the Holy Scripture, Hosea 4:6 "My people are destroyed for lack of knowledge…" God never said that his people are perished for lack of prayer or fasting or because of demonic forces or devilish attack rather for "**lack of knowledge."**

From this book, you will discover that there is no devil elsewhere that can stop you not to become great instead the only two great forces on earth that can stop you not to become great is God and you yourself. But we all know that, God always wish above all things that we prosper and be in good health, 3 John 1:2 but do you equally desire for yourself the same thing that God is wishing you?

If so, then, this book is best for you. With this book, then you will discover that all the frustration that you have ever encountered over the years didn't certainly merit it and you will also equally discover that part of it was actually caused by your ignorant not even the devil who you can't see. How? Quickly turn over to the next chapter

SECTION 1:
THE REALM OF FINANCIAL PROSPERITY

"The realm of financial prosperity is a secluded realm only for the elite in wisdom, knowledge and understanding on how the world of prosperity works. Its road is so small and narrow that, it can only contain very few people at a time especially those who are ready to compress and discomfort themselves via personal sacrifices via your daily and consistent searching and obedient of its righteous principles."

Chapter 1

THE MEANING OF PROSPERITY

The simple meaning of prosperity is abundance, riches or plenty in any areas of your choice. Which simply means the compound word for prosperity can be called **"WEALTH."** And there are only two things every human being is busy looking for in this life, and they are, 1: Prosperity and 2: Success. Both have Biblical foundation. In Joshua 1:8, God warned Joshua by saying to him, ***"This book of the law shall not depart out of thy mouth; but thou shalt meditate therein day and night, that thou mayest observe to do according to all that is written therein: for then thou shalt make thy way prosperous, and then thou shalt have good success."***

This tells us that, both prosperity and success are not necessary a product of hard work though, that cannot be underestimated nor a product of chance or grace only but rather, a full product of law. Hard-work outskirts of the laws of prosperity and success will only lead to struggle, frustration and at the end failure. This is why, you have to be careful how you exalt and glorify all your hard work as though you are the only hardest worker on earth. One of the easiest things hard works can offer to you, is premature old age through over stress while the best thing labouring can offer to the labourers is wages, which is salary. ***"…For a labourer is worthy of his wages,"*** Luke 10:7, Jesus said it. Note, not worthy of prosperity or success outskirt of its given laws.

THE DIFFERENCES BETWEEN SUCCESS AND PROSPERITY.

In this book am not really talking about the aspect of success. Don't misquote prosperity for success. Success is the accomplishment of a purpose, a given assignment or a set goal while prosperity is the abundance of a particular thing or the excess of a thing. Though, the word prosperity is sometimes translated as success but it is slightly different. You can succeed in any areas of assignment without being prosperous in that sphere of life. For instance, most of our parents had good marriages, bear children, lived together as couples till death did many of them apart without ever divorce but yet, never financially rich. You could call that, a successful marriage because ultimately, that was the reason the marriage was established in the first case.

THE SEGMENTS OF PROSPERITY

riches are segmented though it has a compound word which is generally calls **PROSPERITY**. And of which one of it is what we want to talk about here which is the financial prosperity and a little hint of material prosperity because when the echo of prosperity sounds, where majority of people often focus all their attention on is simply for someone to have plenty of materials things, financial things and also probably living in good health. But prosperity itself is truly wider and larger than just merely being materially or financially rich. There are about seven spheres of life that every normal human being is expected to be prosperous but you have to start from somewhere. The ability to manage properly any attain areas of prosperity can unknowingly leads you to the other sphere of life. Don't also forget, one of the best ways to view prosperity is not just to have plenty but rather to be satisfied and contented with whatever you have.

As long as whatever you have can meet your needs at any time and upon request without having to panic and bother another for it first, you are prosperous in a bit in your capacity. So, prosperity originally begins and ends with able to meets your needs with whatever you have at a time. Now, it is very paramount to remind you the readers of that in this book that, prosperity without contentment is never a prosperity at all rather a curse. ***"For contentment is a great gain..."*** First Tim 6:6.

THE ALL- TIME BEAUTY OF PROSPERITY

Some people need to be reminded that they are already swimming in some levels of prosperity especially as a child of God. Whenever you can meet up your needs by yourself, at that moment, you're a prosperous person. Don't be deceived by the abundance of others. Don't forget, yours is yours. No matter the abundance of another, if you have no right to it, then it is not yours. Therefore, the all-time beauty of prosperity is able to meet up with your needs whenever it arises. Still, though prosperity is a product of law, it is also a product of choice. One can either chose to be prosperous in any areas of his or her interest, that's depends on his or her choice and the laws him or her is willing to obey whether financially, spiritually, morally, materially, academically and physically and so on. To choose to have any of these is an additional or external choice to be made to your original reason of creation by only you. This is why it will also require the application of additional principles which is called **the principles of prosperity**. But above all, the ultimate reason for any kind of prosperity is to achieve the purpose of his or her heart desire.

GOOD HEALTH-ANOTHER LEVEL OF PROSPERITY.

Good health cannot be measured in quantity rather in good condition and healthiness. A healthy life and a long lifespan and a never-ending life is what is called abundant life. This is the kind of life Christ came to give to the entire human race especially those who believes in Him. John 10:10. This is why, not all prosperity can be measured in the same way in every area of life. Some can be quantified in volumes, why some in length, why some in weight all that matters is having them in sufficiency especially for the fulfilment of its original purpose. In 3 John 1:2 says ***"Beloved, I wish above all things that thou mayest prosper and be in health, even as thy soul prospereth."***

Some believers of Christ still don't know yet that it is their right to become extremely prosperous. The price to it has been paid by Christ. The laws and principles to obtain to its highest level of life has been laid down for all us. All you need do is to dive into it, grab it, explore it, apply it and continue to be applying it. From the scriptural verse above, we discovered that, it is highly the will of God for his children to prosper **in all things not some**. It is really interesting to know how much God ever desires his children to be all round prosperous and to further let us know that God understood fully how much even we ourselves often wishes it, the verse further stated, **even as your soul prospers**, which simply means there is certainly nobody who doesn't wish or think in within himself to live the best kind of life here on earth.

The most amazing part of that verse is this, *"…**even as your soul prospers."*** This shows that, no man can prosper beyond the soulical state of his prosperity. Why? It is simple, ***"as a man thinks in his heart, so he is."*** This means, you are a sum total of your thought. This is terrible. If prosperity is not in the centre focus of your heart, of your mind and of your daily thought, you can be rest assured that, it will never manifest on the outside. The Bible said so. There is a book that even its tittle alone has earned the book a high yield of sales and it is still trending and it is called **THINK AND GROW RICH** by Napoleon Hill. Everything about that book is about your conscious and subconscious state. He didn't say, work and grow rich, **THINK AND GROW RICH.** Where do you think? Outside? No. Inside of yourself, your mind to your heart. As a man think in his heart, so he is in this world, Prov 23:7. Your soul is the central processing unit of your life.

Your mind is the incubating ground for all your outward manifestations. Therefore, mind what you think and how you handle the issue of prosperity in your heart. Like I always advice people, after salvation, seek prosperity in any areas of your choice. It is your right. It has been made available for you. Don't forget, I had earlier stated that there are only two things every man is busy looking for in this life and they are, prosperity and success. Nothing less or more. Soon, you will understand.

DON'T PRETEND YOU DON'T NEED PROSPERITY.

Nothing Jesus hate like hypocrisy. To be hypocrite is to be hiding behind a mask or acting behind a mask that is not your original identity. Many people are unconsciously living like that. They tend to pretend that, they are not a fan of prosperity instead holiness but yet, they have never stopped working for someone for money or material wealth. Though many might be pretending that they don't need much money or financial prosperity, but in within them, their souls always long for it. Their soul wishes to fly the best kind of Jet, drive the best and latest cars, live in the best place in the city, attends the best school and eats the best diet. Now if our souls can cherish such good things, and even God himself wishes us to have all round prosperity, then why don't we simply find out how to meet up the good wishes of God towards us and our ever soul longing desires?

DON'T MISQUOTE PHYSICAL HEALTH TO FINANCIAL PROSPERITY

Good Health is a prosperity of the physical body and while financial prosperity is of the abundance of money. That is why, in the verse above we read, prosperity came up in two different ways. To be Healthy is for somebody to be totally whole without sickness in his or her body. But that's not a yardstick to mean that one's complete wholeness in his or her body automatically makes such a person to be financially or materially rich. The adage that says, health is wealth simply means that, with the gift of divine health, the possibility of making it financially is sure because it is only the living and likewise the healthy person that can pursue financial prosperity not the dead or unhealthy person.

There are so many people out there who don't even have any need to be going to hospital for bodily check-up even if any reason occurs to go to hospital; this will not be for admission. Somebody like me, I had never been admitted for once for over 31 years of my life especially since I started to understand that my divine health is guaranteed in Christ Jesus let alone to have seasonal sickness but yet, I never had plenty of money as at then likewise others neither did I or others like me had great material prosperity except their daily ones that they manage likewise there are so many people out there who have this plenty of money stores up in their bank account and so much material prosperity and yet, under the agony of incurable sickness and pains by physicians. Please, it's not a mockery, it's just a reference. And I pray for everyone sick out there to receive their healings from now in the mighty name of JESUS Christ.

DON'T NARROW PROSPERITY TO ONLY ONE SEGMENT OF LIFE

Financial prosperity is far different from health because good health is still under one segment of prosperity. One can be very healthy but financially poor likewise another can be very rich financially but healthily poor. The two can at some point become an enemy to each other's. For a healthy man to gain dominion into the realm of financial prosperity he must need to edge up with the hem of financial principles likewise for a financial rich person to dwell completely in good health, he must also need to groom himself in the principles of a divine healthy lifestyle that can only be brought by Christ JESUS himself.

So, to narrow prosperity to only one section of life is practically against the ultimate reason of its essence. The highest form of prosperity any man can ever attain is to succeed his reason of creation. This is why, in the Bible, most prophets or men of God where not really as rich as Bill Gate financially but yet it was accounted for them that they prospered which simply means, they succeeded their mission this why in most cases, prosperity is often exchanged for the common or compound word as **"SUCCESS".** For example, John the Baptist, it was written concerning him that he was going to be the one to prepare the way for the LORD Jesus to come.

So, in John the Baptist time, he wasn't as rich as King Herod, but yet, he succeeded his mission which to be acclaimed for him as one who has prospered in his destiny. Likewise, it is to every one of us in every aspect of our lives. Getting financially rich is another segment of prosperity entirely. Whether with much financial prosperity or not, a man who understands clearly the path way to his destiny can gently walk on it to his final destination successfully. But the choice to have an additional financial or material wealth is something you must have to decide by yourself at the long run. And to achieving that, you must have to follow the principles of financial prosperity because no financial prosperity or prosperity of any kind that can be attained outside of its given principles.

Every area of prosperity you ever aim for, have their own divine principles and laws governing it. You cannot use the principles of physical prosperity or bodily prosperity for financial prosperity. No. They are in different segment altogether. Prosperity is like a mansion with different rooms. Each room might be of different sizes, fittings and purposes. So also, the realm of prosperity is. Now, to know more, the next chapter will help you understand more of it secretes.

Chapter 2

THE HEM OF BUSINESS- FINANCIAL PROSPERITY

*"**And the seventh angel sounded; and there were great voices in heaven, saying, the kingdoms of this world are become [the kingdoms] of our Lord, and of his Christ; and he shall reign for ever and ever."*** Rev 11:15,

Don't get these scriptural verses confused. Some other translations omitted the plurality of this kingdom(s). Maybe with the mentality that, hence the world is singular, that its realm will also be. But it is not certainly so. In Matthew 4:8-9, and Luke 4:5, Satan did come by himself to trade these kingdoms with Christ Jesus, on the bid of, if Christ ever fall to the ground and worship him. Note, the same Greek word that was used in the book of Revelation was also the same Greek word that was used here which is, **Basileia**, which signified a realm or royalty or rule. In verse 9 of the same book of Matthew chapter 4, Satan specifically rehearsed the multitude of the things he was proposing to give to Christ upon his submission to worship him, note the word, ***"And saith unto him, all these things will I give thee…"***

Satan new that, the kingdom that was delivered to him right from the Garden of Eden has many branches in it and one of the branches is the realm of business or financial prosperity. And that is exactly the realm where Satan is using to frustrate virtually the ignorant children of God, hoping that, if they are enormously financially rich that, they will be consider sinners before God. As they said,

anointing without money is annoyance. That's true. Nothing the devil uses to frustrate believers of Christ like poverty. In fact, poverty has bred more sins than even other act of sins.

POVERTY IS A CURSE AND HAS BEEN DEALT WITH

Having money or plenty of it as you can handle isn't a sin. Perhaps, not having money at all is even a more sin than having. Because poverty is a curse and Christ has already dealt with that curse by taken your place of poverty in other for you to become rich. Read; ***"For ye know the grace of our Lord Jesus Christ, that, though he was rich, yet for your sakes he became poor, that ye through his poverty might be rich."*** 2Cor 8:9. The only time, having money can be classified as sin is when having it in a devilish way and using it for the wrong purposes but as per saying, if it is the will of God for you to be financially prosperous, will be an understatement before God and Christ's personality. Having money unlawfully is what Bible consider as the root of all evil… *"**For the love of money is the root of all evil: which while some coveted after, they have erred from the faith, and pierced themselves through with many sorrows."*** 1Tim 6:10.

There is a realm of financial prosperity which is directly located at the hem of business. It is so because, business has been done in different format ever before the introduction of money came into effect, for instance, trade by barter; which is exchange of values for values or services for values without any single interference of money. But the

moment financial boarder was added to the edge of business, its influence and power automatically dominated the whole world of business of which without money these days, every essence of doing business will be useless, which is why, it is now the arrowhead of business as the ultimate medium of exchange in the business world. Unfortunately, this very realm, only very few believers of Christ have been able to access it in all ages. And one of the first person who was officially recorded to have dwell there was Adam himself.

THE FIVE ULTIMATE KEYS FOR A PROSPERIOUS BUSINESS

In every aspect of life, there are keys to it. In Gen 1:28, ***"And God blessed them, and God said unto them, be fruitful, and multiply, and replenish the earth, and subdue it: and have dominion over the fish of the sea, and over the fowl of the air, and over every living thing that moveth upon the earth."*** Keys are access to either to an entrance or outlet. This is why, keys are so important. The man with the right key to a particular treasure house does not need to pray or fast before he can gain an access, all he just needs to do is to reach out to the right key and open the treasure house. This is also what these keys are for.

The first blessing Adam received from God was also accompanied by five powerful commands, which are called keys, which says, be fruitful, multiply, replenish the earth, and subdue it, and have dominion over some specific things. You can read it by yourself. This is to tell you that, there can never be a blessing unless there are things to use

it for. And the things to use the blessing for are also the fruits of the blessing.

If you read that verse above carefully, you will discover that there are five major keys in that commands…***fruitful, multiply, replenish, subdue and have dominion***. *These* are the secrete of every great business you see out there today. They are because, the first level and essence and signs of blessing is fruitfulness. This has nothing to do with only child bearing. To be fruitful means to be productive in any areas of your heart desire. Now, are you productive? Every one of us is destined to be productive anyhow and in any areas that you seek to prosper. The first level of prosperity is productivity which is also called, fruitfulness. In business, or the world of financial prosperity, fruitfulness is a major key and can never be undermined or side line. In fact, you can never jump over it to the next level. Until you have something that you are producing for others to buy, you are not ready to prosper. This is why, the only way to judge a prosperous nation or people is by their **gross domestic products (GDP).**

Productivity will beget reproductivity which is called multiplication in the second level of prosperity. The abundance of things can only be possible unless there is something of the same original to keep on reproducing. For instance, this book is just one copy in the original version which is called the fruit that was birth from the idea seed and to have more of this book in circulation or as plenty as I want or as demanded by the multitude out there, the book

will need to be reproduced and keep on reproducing to enable multitude have it.

This is how simple productivity can beget reproductivity or fruitfulness can be multiplied. Therefore, prosperity is not just only a product of fruitfulness, it is more than that. It has stages and levels. The zenith of prosperity must get to the fifth level which is called dominion but how can you ever get to dominion unless you are first fruitful, multiply, and replenish. The word replenish simply means to refill. What are you supposed to refill, it is your kind or the kind of your original idea or the distribution channel. Every product must pass through a distribution channel to enable multiple people to see at a time. Distribution makes it possible for people in different geographical areas of life to have access to the same product.

And once that is attained, then, you must ensure you are able to subdue the market. To subdue means, to take solid control of the market. Ensure, without you, the market cannot move forward. That's called subdue then after that, dominate it. To dominate means, to master or rule over that world of business for your never-ending financial prosperity. To prosper is not only a spiritual work, it is both spiritual and physical work all together located in both divine and natural laws.

THE SECOND PERSON TO EXPERIENCE PROSPERITY IN ALL ROUND LIFE…

Abraham was a very notable example in this aspect of prosperity we are discussing here. For the Bible says in Gen 13:2, ***"And Abram [was] very rich in cattle, in silver, and in gold".*** Abraham wasn't only rich in material and financial wealth, he also had plenty Children, apart from Ismael and Isaac, he had other 6 children from the second wife he married, Keturah and he also had plenty servants, both male and female. And the things that made Abraham to access that realm of financial and material prosperity is still the same applicable laws or principles I shall also be unveiling in this God's given book.

Financial world or material realm is a different realm entirely. The world is far different from this ordinary world. Only very few people dwell there. I don't mean to say that, you will have to physically travel out of this present cosmos system; visible world to another invisible world, no, what I am simply saying is this, though you are physically living in this current world, but spiritually and financially, you are operating in a different world.

Haven't you wondered, where majority of people are crying over economic crunch or reception, high inflations of things, scarcity and so on, others will be spending flamboyantly, building multibillion worth of projects and still maintaining the same rate or level of their lifestyle without feeling any of those things that is making others to be crying? Haven't you wonder, though there maybe

economic crunch or sudden currency devaluation, doesn't make the richest person suddenly the poorest person? If economic crunches, it crunches for the poor and those living in a natural world not for those living in a financial realm. My dear, there is a realm of no lack. That is the realm of financial prosperity. And that is the realm I simply want to unveil to you right in this book. I don't intentionally wish just to unveil it, rather to initiate you into it by the power of the Holy Spirit and through the written word of God in Christ Jesus.

Note, in this end time, one of the last two kingdoms God wants his children to take over before the second coming of the LORD Jesus Christ is the realm of business which also spans to financial realm. Because, if Gospel must be fast spread abroad and preached to every man and nations, the world of financial prosperity must be fully taken over and make use of. Some are still living in solid pretence. Pretends doesn't remove the facts. Facts are things that you can see, feel, smell or touch. Poverty is more than facts to so many people. Why? Because, they are presently experiencing it.

WHAT YOU NEED TO ACCESS AND REMAIN IN THE REALM OF FINANCIAL PROSPERITY

I. **Knowledge**; you need financial knowledge to enable access and also to remain in this sphere of life. Hosea 4:6 says; ***"My people are destroyed for lack of knowledge: because thou hast rejected knowledge, I will also reject thee, that thou shalt be no priest to me: seeing thou hast forgotten the***

law of thy God, I will also forget thy children" *And Isaiah 5:13 says;* ***"Therefore my people are gone into captivity, because [they have] no knowledge: and their honourable men [are] famished, and their multitude dried up with thirst."*** The greatest devil you are going to fight against in your life is not the fallen angel Satan, who is also called devil rather, ignorant. Ignorant of what? Ignorant of how to prosper and why you need to prosper.

Just imagine what God declared in those verses! For his people are perished, destroyed, gone into captivity or imprisonment simply because of lack of knowledge. He didn't say, they have gone into slavery because of lack of prayer or fasting or because of your wicked uncle or aunty or relatives or bad government instead because of your own personal ignorant. Don't forget, devils' greatest strength against you is your ignorant. In facts, the original Hebrew meaning for ignorant is called darkness. And Devil is the prince of darkness which means, the chief prince of ignorant.

In everything, there is knowledge and wisdom for it. For there is wisdom for everything except the one to defeat God. Doing business doesn't make you financially knowledgeable. You can be opening shops or running business and yet not financially prospering. But still, business is the gateway to accessing the realm of financial prosperity via

faithful and diligent management in it. This is why Gospel is also called business; the only business of God and Christ. Luke 2:49.

II. **Meditation**; once you have discovered the financial knowledge, you must always learn to meditate on it continually. The word meditation here means thinking and not just thinking, repeatedly thinking it. Joshua 1:8 says; ***"This book of the law shall not depart out of thy mouth; but thou shalt meditate therein day and night, that thou mayest observe to do according to all that is written therein: for then thou shalt make thy way prosperous, and then thou shalt have good success."*** Until you are conscious enough about something and your thought forms an action in you, it can't produce anything. There is too much power in consistently thinking about something. You can easily do what you never stop thinking about. That is why, the Bible encouraged you never to stop thinking about the laws of God that is able to make you wise, prosper and have good success at the end.

III. **Envisioning**; as they say, you can't have what you can't see. God told Abraham, as far as you can see, you shall possess it, Gen 13:14. It means, in the calendar of God with Abraham, and his seed which is you and I in Christ Jesus, our limit is only depended on the limit of our vision. For as far as you can see, it shall be yours.

Now what can you see? How far is your spiritual and physical sight? How far is your prosperity sight? In your heart, you must be able to visualise what you want your future financial prosperity to look like, how to spend millions, billions and trillions if giving to you. Until you have succeeded spending it in your heart, do not expect to have it physically. Who build a house without first sitting down and calculate the cost whether he is able to finish it or not? Luke 14:28.

IV. **Confession**; Jesus said, *"**But I say unto you, that every idle word that men shall speak, they shall give account thereof in the day of judgment."*** Matt 12:36**.** Don't only think to be financially prosperous without consistently confessing it. ***"For out of the abundance of the heart, the mouth speaks,"*** Luke 6:45. For every man shall be judged by his own words. This is why, you have to be careful what you say and repeatedly says.

V. **Observant**; having all the financial knowledge and meditating on it daily with its consistent confession without observing its season and time, the dos and don'ts can still put one in jeopardy. In Joshua 1:8, this was part of the things God warned Joshua of, he said, meditate therein day and night and learn to observe to do all that is written therein. It is not just enough to have the knowledge, think about it,

confess and so on without carefully observing when and how, where and whom to do it with. Observation is a major key to our exploit in prosperity. Unfortunately, so many Christians are not just observing at all let alone enough.

VI. **Practice it**; until you put to practice whatever you have a knowledge of, you can never be able to get its potency. Putting something into practice will take you off from the abstract into the reality. For faith without work is dead, James 2:26. There is different between application and a lifestyle. You can apply something once and stop right there but once you keep on practicing the same habit, sooner or later, it will become a lifestyle. The laws of God can never be enjoyed until it becomes a lifestyle to you. It is difficult to do away with any form of habit or lifestyle. Once a lifestyle is formed and adhered to, you will need deliverance to be able to do away with it. God wants you to be addicted in living in his ways, wills and laws.

VII. **Maintain the standard**; ascending into the realm of financial prosperity isn't the ultimate, the ultimatum is maintaining its standard. Whatever process, whatever sacrifice, whatever thing you do in the first case to arrive there must never be diminish or aborted while up there in the financial realm rather, it should be increased and endure.

"For he that endures forever shall be saved." Matt 24:13. Salvation is only 100% guaranteed through a lifetime endurance.

So also, consistent inflow of prosperity is. It is easier to bounce up the ladder of prosperity maybe by the applications of one or two laws but don't be deceived, the moment, you abandon that same principle that bounce you up, you will bounce back to your former position of life. This is one of the easiest mistakes many believers of Christ are making today. They are not observing enough to continue to maintain the same principle that bounce them out of poverty. Don't forget this, whatever you mismanage, you will surely lose it.

Chapter 3
THE ULTIMATE REASON FOR A CHRISTIAN FINANCIAL PROSPERITY

"Cry yet, saying, thus saith the LORD of hosts; My cities through prosperity shall yet be spread abroad; and the LORD shall yet comfort Zion, and shall yet choose Jerusalem." Zech 1:17 |KJV

The ultimate reason for a Christian financial prosperity is not so that one will have enough and not be in lack for anything. Although that reason is not entirely bad but the major reason is actually for the propagation of the Gospel by all acceptable means of God; by all acceptable means is to help the poor, widow, fatherless, set the captives free, to sponsor the gospel all over the world; to help save the lost souls, to build up people in their various areas of destinies, to build up the cities of God and to help you easily fulfil your purpose on earth etc.

This is the absolute realm God wants his children to come into; he wants his children to be filled up with this knowledge. This is the revelation God wants his children to have first before asking him for financial prosperity. It has always been the desire of God to see his children financially prosper. Another verse of the scripture says; for he **"…derives pleasure in the prosperity of his servants."** Psalm 35:27. Why on earth would you think God will so much derive pleasure in your prosperity if he doesn't want you to become prosper?

It is very easier for God to set up people on the lifeline of financial prosperity especially if he can give you a free gift of life, which is the most expensive commodity on earth and also permits you to be enjoying good health but some of the hindrances are the intentions contrary to the will of God that we easily exhibit.

In everything, God searches the heart first before he does things. This same revelation, I struggled in it for a very long time to understand why would God resist some people when they want to get financially prosper though he gave them life freely and also permit them to be enjoying good health. It was in my own very case I discovered, the intention behind our request is far interested to God than even the asking or confession itself from our mouth.

AVOID WRONG INTENTION AND SELFISH SEEKING

Because of ignorant and poverty, during my pursuit of money, I neglected totally everything that has to do with my purpose as a servant of God and went entirely whoring looking for the things of this world and every day, I would be praying to God to give me money, to do this and that. The funniest thing was that God was hearing me clearly but he wasn't answering me clearly as expected of me. He was always listening to me but yet, the money I never received it. One of the best answer God can ever give to a man who is running away from his purpose and go whoring chasing after material and financial things is this verse in the Gospel of Matthew 6:33 that says; ***"Seek ye first the kingdom of God and his righteousness and all these things that the***

***gentiles seek shall be added unto* you**" And the second one is completely silence. Now, the problem isn't that, whether if God was truly hearing me or not, it is a matter of God will equally let you know that he is quite hearing you clean and clear but he isn't ready to give you.

Now how did I know God was hearing me? I knew it because, several times I had prayed, God would always appear to me with this same repeated word over and over; ***"…without me, you can do nothing"*** *John* 15:5. This repeated statement of God has been the greatest problem and biggest obstacle I had ever faced in all my life. The fact is, most Christians are stuck up in this middle of life, they are not even going forward and they are not going backward just like how I was. That was a clear resistance to everything I ever desired to achieve outskirt of the will of God concerning my life.

James 4:6 says*; **"But he giveth more grace. Wherefore he saith, God resisteth the proud, but giveth grace unto the humble."*** To be proud means to be consciously living contrary to the will of God. Many thought the word proud only refers to a proud look or pomposity. No. Conscious disobedient to God's will is even the height of pride. And if you are such a person. Note that, you are on a serious battle with God himself not even the small demons that you have authority in Christ Jesus to cast out in his mighty name at will.

It is impossible to escape God's mighty hand. The only way is to humble yourself before and do whatever he says and demands you to do. I keep telling people, though demons may appear to be powerful, the fact is they are not really especially when a man is found working according to the will of God. Demons can only have right over you when you have broken the edges of God's protection over your life, because ***"…he that breaks the hedge shall be bitten by the Serpent."*** Eccl 10:8.

INHERITED PROSPERITY DOESN'T GUARANTEE STABILITY.
Good health is a part of prosperity but yet, still very much different. One can be in good health but yet very financially poor. One can be living a very healthy lifestyle even without plenty of money while someone with plenty of money can be afflicted with bad or poor health, with sicknesses and diseases, some of them incurable ones by doctors; seasonal pains and so on. The irony of good health and financial prosperity is this; both can never come at the same time. One must come first in the sphere of dominance before the other. For many of you can be a living witness to this, many of us were born without any sort of deformity or sicknesses. Many of us, though we were not bred with a silver spoon doesn't automatically renounce the fact to mean that we were born of sickness or deformity.

Health and financial prosperity are two different requests entirely. A man can be so financially or materially rich but yet, healthily poor. Health and financial prosperity can be inherited via a generic process. The son of a rich man

doesn't need anybody to tell him that he has right over his father possessions. Even without been told, he already knows that his portion is awaiting him. Likewise, the state of health can be inherited. But hereditary doesn't guarantee stability.

What people don't often remember to ask is this, why is it that some are born in a poor family and some are born in a rich family while some are born healthy and some deform and sick? If this question can be asked earnestly, the answer to it can equally throw many into an unbelievable solution of their expected aim. The greatest irony of financial prosperity and health is this, having the accurate knowledge of what one among them is and with the right application of a grateful attitude towards it can equally attract the other missing version of life to you.

ASSUME TO RESUME

Assuming you were born into a poor family and that has affected your dream pursuit in life, and we all know without financial prosperity, it is always impossible or very difficult for any dream to come true on earth. So, what do you do on this regard, you'll use what you have to get what you want. There are some people God has given good health so that via it, they can amass into the level of prosperity they ever wanted or desire in life likewise there are so many people, who were born into rich homes but with bad health, what they equally need to do is to use their financial prosperity to seek for their good health.

This is more of the reason you discovered that; you can easily find rich people in all the best hospitals around the world. What are they looking for over there? Just to ensure they are able to secure a good health via special medical treatment. The rich know that, with the level of their money that they can attract a good medical care but only the poor with good health who are always adamant to use their good health to pursue their financial prosperity wisely by engaging their good healthy life in the services of God faithfully and the applications of God's laws over their financial pursuits.

Though the above explanation is just a highlight of what we shall soon delve into concerning financial prosperity and its principles on how to apply it. To gain good health, it has its own principle likewise, financial prosperity. Financial prosperity doesn't just come simply because you wish it. It can only come simply because you apply its principles so also good health itself is. You might be wondering and asking, "But did I ever apply any principle before I became healthy? In life, you don't necessarily need to apply some special principles before you can get a generic hereditary of good health or be thrown into wealth. That's a gift passed down from your parent likewise how financial prosperity can also be inherited by children through their wealthy parents.

But inheriting good health or wealth from your parent is not really a cause for you to debate, that is often through a grace but to maintain the stability of whatever you have

inherited from your parents, good health or financial prosperity, you must have to be undergoing what I call servicing and of which, the ingredients that makes up a good service is in its principles. But in the case whereby, you only have one out of the two, good health or financial prosperity, what do you do? You will have to apply some principles to get the one that you don't have and even the one that you already inherited from your parent; you equally need to retail it by adhering to its maintaining principles.

USE WHAT YOU HAVE TO GET WHAT YOU WANT

Let me give you two different practical examples in the Bible that talks about what I am explaining here. During the time of the man of God, Prophet Elisha, there was this Syrian man, named Naaman, a General of the Army, who was afflicted of leprosy. He was wealthy and of great possession but yet in a very bad healthy state. So, he heard about the man of God, Elisha was very powerful and that he does miracles and he came looking for him with plenty of financial prosperity just to ensure that he gain the other version of his life, good health. And the Bible confirmed that, on his inquest to meet with the Prophet Elisha, Elisha even without coming out to see him, sent his servant to him with an instruction that he should go and deep himself in the river Jordan seven good times and his leprosy would be wiped off. 2 Kings 5:9-14.

Let saves the rest of the stories there. Now what that man Naaman had gone to do with his riches and influence was

using what he had to get what he wanted. There were so many other people affected with such an infirmity in the same country where he came from but none was wise enough to use what they had to get what they never had.

It is wisdom from the highest level to use whatever you have to get whatever you are looking for. The second one, in the case of Jesus, there was a man called the blind Bartimaeus, he was a man born blind, though he was born blind, and he was of no other sickness apart from the inability to see physically. On a certain occasion, as the master of creation, Jesus himself was passing by, the blind man, got to understand that, Christ was passing by, and he reacted and decided to be calling on him, son of David to have mercy on him. Indeed, Jesus stopped by and attended to him and he became whole and gained the ability to see like every other person, Mark 10:46-52.

Now what did that blind man did. He had no money but he could use his present healthy state to gain the complete wholeness of his life. The question is, how did he arrive to a complete wholeness via the application of what he already had, was simply to engage his voice and faith into action. In life, whether in financial prosperity or the inquest of good health, you must use the one you already have to gain access into the one that you do not have yet or use the little one to get more of the ones you do not have. Blind Bartimaeus had half part of good health but not all, and he had to use the little of what he has to get himself completely whole, mouth and faith.

Chapter 4

THE PRAYER FOR PROSPERITY

"O Lord, I beseech thee, let now thine ear be attentive to the prayer of thy servant, and to the prayer of thy servants, who desire to fear thy name: and prosper, I pray thee, thy servant this day, and grant him mercy in the sight of this man. For I was the king's cupbearer." Nehemiah 1:11| KJV

I know there are other verses of the Bible that talks about the prayer for prosperity but as for me. There are some words that Nehemiah used here that I actually like and that I equally see as one of the greatest reasons why God can ever hear our cry for prosperity. Firstly, remember, it is only a healthy person that can remember to be praying for financial prosperity.

The greatest platform and ultimate reason why God will ever desire to grant any man the kind of prosperity that he ever prayed for is if his intention aligns with the desire of God. Nehemiah wasn't asking God to prosper him so that he can become a tyranny or become God's rebellious. As at the time He was asking God for this request, according to the Biblical history of the Children of Israel who had been sent to exile, the time appointed for them to be delivered and also for them to go back and build up the house of God in Jerusalem. This was God's desire for his children and exactly the same desire Nehemiah was equally asking God for.

Nehemiah had proposed in his heart to approach the king where they were serving as captives, and he needed the

king to approve his request to go and build God's temple and the walls of Jerusalem. So, he prayed to God to grant him success in his inquest, to go and build God's house. This should simply tell you that, the ultimate reason God wants you to succeed or prosper is so that, you can build his own house, expand his kingdom and propagate the gospel of the LORD Jesus Christ.

I had always told people, what interest God most is the intention behind whatever thing you should ask him. Never ask God anything without a valid reason tally to his heart desire and will for you. It is very easy for God to bless and grant our prayer request if he discovered that the reason why asking for such a thing is for the reason why he would desire to give you. God wants his children to fear him; the word fear here simply means reverences.

If you reverence God, you have feared him indeed. Don't say you have the fear of God but yet doing everything contrary to his will. That's not fear. That's deception. God had already ordained that as at the time that Nehemiah was asking was the right time appointed for the temple of God to be reconstructed. And speedily, God granted him favour in the eyes of the king, and he granted him the right and permission to go and build the temple thus was how Nehemiah was able to embark on the reconstruction of the building of the Lord.

That is how the prayer of prosperity is. If God appears to you now and asked, what exactly do you want him to do for you? I must tell you the truth, this question; very few people

can actually be able to give the kind of answer that God would want to hear from them. How do you know, if your request is actually the will of God concerning your life?

- ✓ Firstly, does it tally to the will of God concerning your life? **"*And this is the confidence that we have in him, that, if we ask any thing according to his will, he heareth us: And if we know that he hears us, whatsoever we ask, we know that we have the petitions that we desired of him."*** 1 John 5:14-15
- ✓ Secondly, does it sound like something that will give glory to God? ***"And call upon me in the day of trouble: I will deliver thee, and thou shalt glorify me."*** (Psalm 50:15)
- ✓ Thirdly, is it aligned with your original purpose of destiny*?* ***"For this is he that was spoken of by the prophet Esaias, saying, the voice of one crying in the wilderness, prepare ye the way of the Lord, make his paths straight."*** Matt 3:3, Isaiah 40:3
- ✓ Fourthly, can others through it benefit from it and because of it reverence God? ***"Let your light so shine before men, that they may see your good works, and glorify your Father which is in heaven."*** Matt 5:16
- ✓ Fifthly, is it the appointed time for such a manifestation? ***"To proclaim the acceptable year of the LORD, and the day of vengeance of our God; to comfort all that mourn;"*** Isaiah 61:2

You might be wondering; does God actually look at these things before he blesses a man with financial prosperity! Yes, he does. Note, God doesn't do anything outskirt of these three things, time, will and promise. Any riches coming from God upon the life of a man must be first weighed under these preferences before God will allow it. Many people don't know some of the gravest mistake they have ever made before God is through the mismanagement of their little financial prosperity. God doesn't derive pleasure in the prosperity of the wicked person because; his riches will make him exceedingly wicked. Micah 6:10-12, kings 20:5

Chapter 5

THE SECRET OF HOW TO PROSPER

"Only be thou strong and very courageous, that thou mayest observe to do according to all the law, which Moses my servant commanded thee: turn not from it [to] the right hand or [to] the left, that thou mayest prosper whithersoever thou goest." Joshua 1:7 |KJV

Prosperity can only be guaranteed via the consistent applications of its given principles. The word prospers here didn't refer to a particular segment of life just like as I earlier stated, it generally means to succeed ones given purpose or mission here on earth. It simply denotes a general connotation of all prosperity which is, succeed. But going on strictly to the cause of written this book, financial prosperity has stability and instability. The introduction of it is the little on and off of financial seeds that comes into our hands in form of gifts, salaries, rewards and chances.

So, the entirety of prosperity itself is far beyond that. Prosperity in its forms grows and possesses the capacity to increase or decrease either with speed or gradually, this only depend on the level of services applied on it but still, it can grow to a particular maturity stage; a steady stage whereby it cannot diminish anymore. This is what it means by multiple streams of income. If the income of a man becomes larger than his expenses, his financial prosperity has just spread out its wings like an eagle in the midst of the storming weather but what sustain the eagles in the midst

of the storm isn't really all its ability to spread well its wings instead, the wisdom to observe the direction of the wind, the understanding on how to fly at a particular time and not and the knowledge to not only depend on the cloak of its wings instead on the greatness of the storm.

In the scriptural verse above, the LORD told Joshua; be strong and very courageous so that you may learn to observe to do according to all the given laws of Moses. Before the man of God Joshua forgot the source of his prosperity, God quickly had to remind him of the things he must never ever neglected to do because every little application of negligence over those already given principles would have automatically led Joshua into a state of failure and God wouldn't want Joshua to experience that. Failure and victory in the pursuit of prosperity are just like life and death that are opposite of each other's. Both of them are predictable. The bridge in between them is not as thick as the size of the thread. One failure is another's victory. One's negligence is another greatest opportunity to ascend into the throne of prominence.

NO BETTER FORMULA THAN ITS PRINCIPLES

Prosperity has no better formula than to adhere to its given principles; law. It doesn't just come simply because we fast and pray. It doesn't just come simply because we have grown to a certain age or that we have qualified enough to getting it in the absence of its rightful principles. Don't misquote a one chance opportunity for a huge finance miracle to be financial prosperity. Note, any money that

comes once in bulk without a consistent inflow is just a seed and a seed is a capital. Actually, such money, how you spend it will determine if it is ever going to reproduce again or not.

DON'T LET FOOLISHNESS REWIND YOU

In life, I have seen so many people who had been privilege to hit some financial jackpot but the inability to utilize it has always landed many of them into a regrettable state. To some, it would have even been better if they had never encountered such a financial status before in life let alone to be hearing the most annoying statement of all time that says; "I have touched money before" This is never a good confession at all. That is a statement of failures. That statement doesn't fit believers of Christ. People of such categories are part of the reason why we are preaching this gospel to help them straightens up their lives again and again.

Such people, if cares is not taken, their latter part of life is always worsened than their past because, they have experienced some other sweet version of life before. A young man once lived with me and my brothers, when he first came to be living with us, by his mouth he confessed that, since birth, he had never by himself counted money to buy new cloths. Of a truth even while with us, it took him some time to do away with buying of second-hand clothes but after living with us in a short while, his life dramatically changed, he discovered that there is absolutely nothing wrong in wearing new clothes and miraculously, he got a barbing work. This young man, when the favour of God

came upon him, just common hair cut job he was doing, it became something else. Before he realized it, instead of people to pay him his exact hair cut charges, they will be giving him additional money.

Suddenly, things about his life changed and he started making money. A hair cut of about 500-naira, people were sometimes given him N50,000, 30,000 and even there was a day a lady gave him N170,000. The young man shocked and became tired of his life. But what happened at the end, he grew and became a clubbiest, fornicator. Everything that he was then busy doing was women and clubbing then I called him several times to warn him, won't you be careful? You are not the person making this happen perhaps you are not the best barber in Lagos let alone Nigeria but yet, the anointing of God has robbed upon you with favour. He refused, so gradually, after a time, all the good clients that was given him such huge amount of money, retreated from him without a valid excuse to do so and unfortunately for him, things rewind backward.

AVOID THE SAME MISTAKE OTHER MAKES FOR FINANCIAL PROSPERITY

God never said that we should be praying and fasting for financial prosperity or any of the segments of the prosperity. All he lay down is that, we should learn to observe the principles of it and do according to "**ALL**" that is written in this book of the law, Bible. This is why; money doesn't just come to so many Christians who are busy praying and fasting. Your fasting is not the right principles

for this. The only time you ever needed fasting and prayer in the area of financial prosperity is for God to give you wisdom to enable you invest well and service the source of that your income or if no income before so that God to give you seed to start your financial principles investment. **"For God gives seed to the Sower and bread to the eater…"** 2 Cor 9:10.

And secondly, another reason you need to consistently involves prayer and fasting in your financial prosperity pursuit is to help you eliminate or weed off every invisible obstacle that forms around the ground of our prosperity like grass. Meanwhile, originally, if you were truly an observer of the laws of God, even before the financial prosperity comes, you should have been able to know the essences of such financial prosperity.

Before God gives us, money or promote us into some certain areas of life, the first thing God wants us to know is the reason why we are set up for promotion. This is where many of us who calls ourselves Christians are actually making it wrong. We easily forget to ask why God should give us an additional car. Why God should allow us to have as many children that we ever desire to have. Why God would allow us a promotion with salary increase in working place or suddenly cause our business to be flourishing beyond our expectation? Why would God allow us to hold a political office? Why God would allow us to travel abroad or not. Before Joshua assumed the position of the next

commander in chief of Israel, the first thing God told him was the reason of it.

Read carefully, ***"Be strong and of a good courage: for unto this people shalt thou divide for an inheritance the land, which I sware*** **unto their fathers to give them." Joshua 1:6.** And if you read the previous verses, you will discover the essence of him leading the Israelite to pass over to Jordan and to conquer the first inhabitant of that land was simply to fulfil this verse and also after this verse, from verse number 7 to 8 as well, the ultimate essence that Joshua was warned beforehand to observe to do according to all that was written in the law was also to fulfil the verse number 6.

These are some of the reasons that God expects us to ask him any time promotion or sudden increase comes to us that is if we have not already been aware of it. God doesn't just bless a man simply because he wants the man to have sufficiency for his only stomach. Jesus said*; **"…sufficient unto the day is evil thereof."*** Matt 6:34. This doesn't mean that God isn't interested in you having abundance financial prosperity. He is very keen to it but for the absolute reason why we must all have it.

FINANCIAL PROSPERITY DOESN'T ONLY ANSWER TO PRAYER OR LABOURING

Money doesn't just come simply because you are labouring or prayerful. Labour! The best thing it can ever give you is your wages; salary. But here is God who can always bless a man beyond his salary. A Christian should not always just

believe that simply because he can fast and pray that automatically makes him to qualify to get financial prosperity. The reason for prayer isn't entirely all for that. Financial Prosperity is a lifestyle that God has already preordained for his children but centred it under a certain commandment that I shall soon unveil before the end of this book. If you don't obey God's commandment concerning any segment of prosperity, there is nothing God can do to make you prosper. God cannot because of your disobedient to breach his most precious word. ***"…For the scripture cannot be broken."*** John 10:3. It has been settled already in heaven. It is settled already ever before you were born. It is an already settled constitution for the governing kingdom of God.

Inability to follow God's principles in different aspects of life has been the major problem that we Christians have ever faced in life not only Christians, the entire world at large. The only reason the world is in disarray today is simply because of one time, God's broken law. Amend the law, the world will return back to its original state before Adam fell in the Garden of Eden. Disobediences have become the major part of our hindrance, destructions, inability to advance further in our certain keen area of interest. Note, it is very good to pray, because we all do even far better than majority of people out there. But that is not a yardstick for you not to obey God in other areas of life. In the above verse we read, God never told Joshua that his prosperity must be depended on the number of days and time that he fasts and prays, rather, that the careful observation and

consistent application of all the laws laydown by God through the man of God Moses will determine the swiftness and certainty of his prosperity.

If what it required for Joshua to prosper was just to fast and pray, God wouldn't had derived pleasure to bring in the observation and application of all the laws. Now, don't say, we are no more under laws and now under grace, note, the first people who even preached about grace and faith in the New Testament, never lived for once to breach any single laws of Moses. After all, they were born into it and practically understood even the laws more than us. The law giver and the New Testament author himself are all both from the same family lineage, nations and one single grandparents. You can never substitute the laws of God with the grace of God. The essence of grace was to return people back to God's original laws. For Christ came with grace and truth. **"For the law was given by Moses, [but] grace and truth came by Jesus Christ."** John 1:17.

Grace in this context refers to the ability to apply Gods' original laws, which is truth. The only Law Christ came to abolished is still the only law that is no more effect even up till date, immediately after his death on the cross, that is the law of sin and death of which the penalty of it has been the killing of an innocent animal to atone the sinner's blood. Romans 8:2-4. This verse is the most misunderstood verse in the entire Bible. Most of the grace preachers have so much misunderstood it more than every other one else in the world.

Thus, they are trying to generalise this single line of law as all the laws of God, therefore by themselves abolishing divine and natural laws of which it is never going to be possible. Grace will not suddenly make a man to stop walking with his legs and be flying in the sky like a bird. No. We humans have been created and established by divine and natural laws to walk with legs and not to fly with them.

CHRIST WAS NEVER A BREAKER OR DESTROYER OF HIS LAWS

"Think not that I am come to destroy the law, or the prophets: I am not come to destroy, but to fulfil. For verily I say unto you, till heaven and earth pass, one jot or one tittle shall in no wise pass from the law, till all be fulfilled. Whosoever therefore shall break one of these least commandments, and shall teach men so, he shall be called the least in the kingdom of heaven: but whosoever shall do and teach [them], the same shall be called great in the kingdom of heaven." **Matt 5:17-19.** Imagine, the LORD himself, making such statements. Do not think I came to abolish the laws or the prophets that put the laws there. He said no, I came to fulfil them. To fulfil, means to manifest or display them. It means to show you how you can obey them even in the midst of this wicked world without any atom of compromise. All the days of Christ life, everything he did was according to the laws written concerning his essence of coming into the earth and when he was done, he announced, it is finished. Finish what, everything that was written concerning his first advent.

Christ himself never broke any written single law in his time. The only time Christ was accused of working against the law was of the Sabbath day of which he corrected them by letting them know the actual meaning of the law of Sabbath. Keeping the law of Sabbath doesn't refrained man of doing good of which this was what the Jewish leaders of his days was using to rob people of their legal right especially the people of low esteem. The divine and natural Laws of God never changes. If the first people who preached this gospel never lived to break any of the given laws of Moses, therefore, you and I are not supposed to live contrary to their lifestyle as well.

In the entire Bible, the major reasons some king became more prosperous more than some was simply because some carefully observed and obeyed and did the laws of God while some disobeyed the laws of God which means the absolute reason of getting richer than each other's in the kingdom of God is by the degree of observation and applications of some certain laws than others not really the so call fasting and prayer only though those are still parts of it. In addition, don't forget that, there are four major kinds of laws, and they are, Divine Laws, Natural Laws, Ritualistic laws, and legislative laws. Am not really talking about laws generally here but for the sake of financial prosperity, laws must be touched if not, you will not even know what we are actually talking about here and how important the laws of prosperity are.

The laws of prosperity are both a product of divine laws, natural laws, legislative laws, and ritualistic laws. You can't apply natural laws in this physical world without obeying legislative laws. It is not possible. Under legislative laws, you see taxes. And every government has imposed taxes for instance for all their citizens. And you can't successfully run a business in any country without paying your taxes, thus making all laws invariably connected to each other's. But let's leave those ones aside now and look into what we have to discuss on the next chapter.

SECTION 2

THE TWO MAIN SOURCES OF FINANCIAL PROSPERITY

The potency of a human legal government over the earth was lost in deception over to a hand of a wiser being via the very hand of the very first mortal inhabitant of the earth, Adam himself. Hence by carelessness, the original assigned owner of a property couldn't know the value of it, a wiser and deceiver who was more knowledgeable about it came in sneakily, stole it and became the legal owner of it. And upon a deceiver's hand, the supposed legal owner of the property, now became the unfortunate beggar. Instead of dominating, now dominated. It is upon this, the urgency to reclaim the lost kingdoms, glories, wealth and powers became paramount before Christ and every one of us with additional available medium to enable a total reclamation."

Chapter 6

THE SOURCE OF A TRUE FINANCIAL PROSPERITY

"Again, the devil taketh him up into an exceeding high mountain, and sheweth him all the kingdoms of the world, and the glory of them; And saith unto him, all these things will I give thee, if thou wilt fall down and worship me. Then saith Jesus unto him, get thee hence, Satan: for it is written, thou shalt worship the Lord thy God, and him only shalt thou serve." Matt 4:8-10 | KJV

The truth is there are two major sources of financial prosperity. One is of the world which is controlled by the fallen angel called Satan while the true and original financial prosperity is actually from God himself which is centred under the power of Christ, the anointed one; the son of God through his word or laws. Now these two sources of financial prosperity are excellently available under this heaven where we all dwell. God originally created man through his son Jesus Christ to have dominion over everything on earth, the birds in the air, the beast on the land and the fishes in the river and all the plants and herb therein but with a condition to remain fully in righteousness, Gen 1:26. The word righteousness means not only right doing but also right standing with the governing authority. Adam eventually lost his right standing position with his heavenly governing authority via his conscious rebellion against his governing authority.

Here is where the problem is fully contained. Righteousness is a lifestyle of God brought to us in Christ Jesus via grace

and faith in Him. This was also the same lifestyle that the first man Adam was created with and he was expected to keep on living with this lifestyle. The truth is there wouldn't have been another special law for financial prosperity, good health, long life or eternal life if that lifestyle of righteousness was actually adhered to by the first man Adam whom his loins, we all consisted. Righteousness alone covers everything that man would have ever labour for, anything that man would have ever wanted and needed on earth. In absolute righteousness, there shouldn't have been any need for even labouring, suffering, sickness, pains, lack and so on. To live righteously means to live according to all the governing laws over one's life.

Righteousness alone covers all of that. I don't really want us to be going back into histories to trace what happened but I certainly hope I am already talking to Christians or Bible readers here. In Genesis 1-3 before Adam and his wife Eve fell out of grace, right there in the Garden of Eden, it was never recorded against them that, they ever suffered. There was nothing of such when they were still fully in righteousness right there in the Garden of Eden.

Suffering only began immediately after they lost their virtue; their moral decency and was chased out of the Garden of God because, that Garden of God could only contains humans with pure righteousness and as at that time, the deceiver, Satan, has already succeeded all his plan to rule over them and therefore, he has now power over humanity. In the Garden of God, there was sufficiency.

There was no lack or want in the Garden of Eden because it was all centred within the very presence of God. Is there lack in the presence of God? Even it is written in Psalm 34:10 ***"The young lions do lack, and suffer hunger: but they that seek the LORD shall not want any good [thing]."*** **A**nd in Matt 6:33, Jesus himself said with vehement reassurance by saying, *"**But seek ye first the kingdom of God, and his righteousness; and all these things shall be added unto you."***

The word righteousness here means, God's laws or ways or his will. Look for them and obey them and every other thing you need to survive and live enjoyably in his kingdom, him as **THE NOBLE KING** will ensure that they are all supplied to you. Now, take a look at this assurance from **THE KING** of kings himself. He said, look for his kingdom, and when you have found it, then, make sure you obey all the governing laws in his kingdom, once you do that, he will be responsible for all your needs in every area of life. This is what it means, by adhering to the principles of financial prosperity. The kingdom of God is not a lawless kingdom. Instead, a lawful kingdom. In the kingdom of God, you don't need grace to remain in it, all you need is law, keep the law of the King, and you will have peace in his Kingdom.

WE HAVE A RECLAIMING GRACE VIA DOCUMENTED PRINCIPLES…

Man via ignorant and carelessness lost the first free given grace of prosperity through Adam and Eve right there in the Garden of Eden that was only centred on just living

righteously without having to do extra-moral work to prosper. This was when, the original prosperity grace created man with was stolen from man and Satan now became the one using it to lure men away from able to living faithfully unto God by placing humanity under a strict punishment of poverty through his agent so that man can never remember to come back to God when suffering. And in every attempt to end suffering, man would be curiously chasing after financial prosperity and on this verge, Satan always edge waiting aimlessly at all men to give them what originally belongs to man right from creation as form of helping man to end his suffering but with a condition attaches to it that whomever accepts such a financial prosperity must do the will of Satan to join him corrupt the world of mankind.

The fact is Satan has never been the original owner of the financial prosperity he now controlled outside of Christ. Adam in a full helpless state began his fruitfulness in helplessness and that had affected the whole generation of mankind until Christ came without the Adamite gene in him instead purely of the Holy Ghost to ride off all the helplessness that Adams transgression of the law to remain fully in righteousness has placed all men. In the scriptural verse above, we read in the Gospel of Matthew 4:8-10, how Satan also came to tempt Jesus so that he should also fall just like how Adam had fallen at the beginning of man's creation right there in the Garden of Eden. But been Jesus Christ, a man not from the original seed of the sinful nature of Adam, he did conquer Satan apprehensively and

reminded Satan of what was required of both mankind and angels including the Satan himself because, Lucifer is also a product made of Jesus Christ. While Satan is a product of Lucifer. God created everything, including Lucifer through his son Jesus Christ before even the Lucifer himself equally transgressed the law, and became Satan, Ezekiel 28:11-18, John 1:3.

THREAT IS SATAN GREATEST FORMULA AGAINST THE SAINTS

Satan greatest formula over against all mankind is to threaten them with all the riches, the glories of the world that were originally belongs to mankind and of which this has been his all- time greatest formula to lure men away from focusing their attention on their makers, Jehovah. This he also tried with Jesus as one of his three greatest formula as the pride of life but he failed wholeheartedly.

He only failed over the life of Jesus Christ but in the lives of so many, he is still very succeeding even sometimes in my life as well before, and he had succeeded several times without number. He had always tried to worsen things about me to distract my focus of serving God if not, Christ whom by his supernatural ability to take dominion over my life with his precious blood and a full sea of the Holy Spirit. Any riches earned not from the ways of God, is certainly satanic. If it is not of God, it is not of God. Satanic source of financial prosperity is very wide and easy to get all over. It all often starts by cheating on another; by prostituting, by

robbing, by killing another, by covetously, by stealing, by fornicating and so on.

All these forms of financial prosperity are not of God instead, wholly demonic and their lifespan is certainly not long. Any riches that no man can account for genuinely aren't of God. A true source of financial prosperity can only come through God, in his son, Christ and but in Christ, so getting this financial prosperity genuinely, there were also laydown principles just as how it has been in the Garden of Eden to live wholly in righteousness.

The problem of the Christians is that, they tend to be loving God but whereas in total disobedient to his commandment. Humans often derive pleasure in doing contrary to the already lay down principles of God in everything. People always wants to carve out their own way in serving God and in so doing, they will become an object of worship; gods without realizing it on time. I hope the next chapter will throw a better light on this to enable us know fully well where we are actually making the mistake from.
